## **REASON FOR ALLOWANCE**

1. Applicant's amendment of Oath Declaration on September 26, 2005 has been received.

2. Claims 1-10 are allowed.

3. The following is an examiner's statement of reasons for allowance: none of prior art teaches or suggests a contact assembly for a steering wheel comprising a first circuit board having one vertically extending arm with a resilient contact thereon for non-fixedly engaging a corresponding contact on a second circuit board, the second circuit board being adapted to cooperate with buttons on the steering wheel to actuate various vehicle functions.

- The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Fitzpatrick et al (US6403899B1), Rudolph et al (US6147315), Fehr et al (US6907328B2), Leveque et al (US5952633) and Akimoto (US5977495) are cited to show a contact assembly for a steering wheel comprising a printed circuit board and the conductive terminals are connected together.
- 5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
- Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuongchi Nguyen whose telephone number is (571) 272-2012. The examiner can normally be reached on 8:00AM-4:00PM.
